December Luncheon

Please join us on Tuesday, December 17, 2019, from 11:30 am - 1 pm, at the BP Energy Center, located at 900 E. Benson Boulevard, Anchorage, AK 99508 for our monthly Alaska Chapter ASSP luncheon meeting.

After networking with your peers and eating a great lunch, you will have a chance to show off your skills as a safety professional during a very competitive and exciting game full of Safety and Engineering challenges. Prizes will be awarded for the highest score, and door prizes will be handed out during the luncheon ** Before the luncheon, please download the free [Kahoot](#) app from the Apple App Store or Google Play. For more information, visit <https://kahoot.com/mobile-app/>

Also, this luncheon will be a combined event with the Society of American Military Engineers (SAME). *The Society of American Military Engineers is the only nonprofit professional engineering education organization that actively promotes the advancement of both individual technical knowledge and the collective engineering capabilities of governments, the uniformed services, and*

private industry. SAME's goal is to unite public and private sector entities and individuals in the A/E/C fields so that we can prepare for and overcome natural and man-made disasters, acts of terrorism and improve security at home and abroad.

To help during this holiday season, we will be having a coat drive (and any other winter clothing) for [Brother Francis Shelter](#), an organization that provides emergency shelter and care for men and women in Anchorage without a home. If you wish to donate any shirts, jackets, hats, gloves, hand warmers, and socks (all sizes for both men & women), the AK Chapter of ASSP will have a collection point at the luncheon and will deliver all donated items to the organization. Additional donation items and ideas can be found [HERE](#), and any or all would be welcome.

Luncheon Pricing: \$15 for regular admission; \$10.00 for students and military.

Please submit your RSVP by the close of business on December 16th by clicking on the following link: <https://www.eventbrite.com/e/same-assp-december-trivia-contest-tickets-84939645767>

Carlton Norby: 5 Years

Paul Shuart: 5 Years

January 2019 Luncheon

Please join us on Tuesday, **January 21, 2020**, for our monthly Alaska Chapter ASSP luncheon meeting at the BP Energy Center.

The guest speaker is **Robert Wood**, MSHA Anchorage Field Office Supervisor.

He will be leading a presentation that details and provides information about the history of MSHA, his experience in the industry, including the impact of mining on Alaska's economy and why it is important to all of us. Please join us in learning about this critical industry and how health and safety have made a positive impact on those working in this industry.
