PRESIDENT'S LETTER

Greetings Everyone!

Happy New Year! I hope you all had a wonderful holiday season and are feeling recharged as we step into 2025. As your chapter president, I am honored to continue leading our efforts to promote safety and professional development throughout our state.

Looking back on 2024, I am proud of the progress we made as a chapter. We navigated challenges, shared knowledge, and worked together to enhance safety in our workplaces and communities. This work is vital, especially in the ever-changing landscape of safety standards, regulations, and practices. I want to extend my sincere gratitude to each of you for your continued commitment to advancing the safety profession here in Alaska.

As we kick off the new year, I encourage you to make the most of the opportunities we offer. Whether it's attending our upcoming events, engaging with our growing network of safety professionals, or diving into new learning opportunities, 2025 holds great potential for all of us. Let's work together to keep safety at the forefront of our efforts and continue to foster a culture of safety within our industries.

This year, we will be focusing on strengthening our community, offering valuable resources, and providing avenues for professional growth. Whether you are a seasoned safety expert or a newcomer to the field, the chapter is here to support you every step of the way. We hope you will join us for our social event this month in lieu of our regular meeting. See below for more details.

Thank you for your passion and dedication to safety. I look forward to another year of collaboration and making a meaningful impact on our workplaces and the communities we serve.

Wishing you all a successful and safe 2025!

Respectfully,

Mark Strauss, CSP
President, Alaska Chapter
American Society of Safety Professionals

MEMBERSHIP UPDATES

Our Chapter currently has 220 members. Please welcome our newest member!

UPCOMING EVENTS

January Chapter Meeting

PLEASE NOTE CHANGE IN DATE AND TIME

Instead of a meeting this month, we are hosting a social gathering at Guido's Pizza at 549 West International Airport Road.

The Chapter will be providing pizza for all and will have some door prizes!

Wednesday, January 22 5:00 PM - 8:00 PM

Be sure to register on the website so we can have a headcount. Hope to see everyone there!

CAREER OPPORTUNITIES

We are always looking to network and find out if there are job openings. The jobs must be in an Environment, Health and Safety function. For example: Fleet Safety Manager, Director of Environmental, Health and Safety, Risk Manager, etc.

We will post the jobs to our website at southtexas.asse.org. This is done currently at no charge, but the chapter is always accepting donations to help establish our scholarship fund. Your contribution is appreciated.

Please e-mail the job information to **updates@alaska.assp.org**
