PRESIDENT'S LETTER

Greetings Everyone!

Hard to believe we are already in the holiday season; it feels like this year has flown by too fast. As we approach the end of the year, I like to reflect on what we have accomplished this year and what we can look forward in the new year. As we look ahead to 2026, I encourage you to take a moment to reflect on the positive impact you've made, and think about how you can continue shaping the future of safety. Whether it's learning, mentoring, or simply taking time for yourself, every step counts.

In place of our regular meeting in December, we will be having a holiday party complete with free food, an ugly sweater competition, optional white elephant gift exchange (max \$25), holiday games, and networking. I hope to see all of you there. Be sure to register below.

I want to take this time to thank all of you for your participation in the chapter this year. The goal of the leadership team is to make your membership worthwhile for you. If you have ideas on how we can better serve you or get better value for your money or time, please don't hesitate to reach out to us at

updates@alaska.assp.org. Thank you for your hard work, commitment, and the difference you make every day. Wishing you a joyful holiday season and a safe, successful new year ahead!

Respectfully,

Mark Strauss, CSP
President, Alaska Chapter

CAREER OPPORTUNITIES

We are always looking to network and find out if there are job openings. The jobs must be in an Environment, Health and Safety function. For example:

Fleet Safety Manager, Director of Environmental, Health and Safety, Risk Manager, etc.

We will post the jobs to our website at alaska.assp.org. This is done currently at no charge, but the chapter is always accepting donations to help establish our scholarship fund. Your contribution is appreciated.

Please e-mail the job information to updates@alaska.assp.org.
