PRESIDENT'S LETTER

Happy New Year to Everyone!

It's a new year for the chapter and I want to extend my appreciation for your continued support and I look forward to what we can accomplish over the next year. If you didn't make it to the 2025 Holiday Party, you missed out on our inaugural ugly sweater contest:

In the past year, we have created a Consultants page on our webpage. If you are an ASSP member and would like to have your company listed, please email your information to updates@alaska.assp.org.

We look forward to the coming year and the professional growth of our members. If you would like to be a more active participant in the chapter, have an idea for a speaker or activity, or are interested in a leadership role, please reach out to us at updates@alaska.assp.org.

Respectfully,

Mark Strauss, CSP
President, Alaska Chapter
American Society of Safety Professionals

CAREER OPPORTUNITIES

We are always looking to network and find out if there are job openings. The jobs must be in an Environment, Health and Safety function. For example: Fleet Safety Manager, Director of Environmental, Health and Safety, Risk Manager, etc.

We will post the jobs to our website at alaska.assp.org. This is done currently at no charge, but the chapter is always accepting donations to help establish our scholarship fund. Your contribution is appreciated.

Please e-mail the job information to updates@alaska.assp.org.
