PRESIDENT'S LETTER

Hello everyone!

We are well on our way into 2026 and we have lots of exciting opportunities coming up in the next few months.

Safety Vests

We are looking for some new or used (but in good condition) safety vests that can be donated to the unhoused population to increase their visibility in low light conditions.

United Way Walk for Warmth

The Chapter is supporting the United Way Walk for Warmth on Feb 21 from 1:00 PM to 3:00 PM. We are looking for 4 people to assist with watching for safety hazards as the walkers move from Romig Middle School to Westchester Lagoon.

Alaska Governor's Safety and Health Conference

The Chapter will have an informational booth at the 2026 Alaska Governor's

Safety and Health Conference from April 7-8. We ask that members who volunteer to be at the booth stay for at least one hour.

If you are interested in volunteering for any of these items, please reach out to us at updates@alaska.assp.org.

Finally, it appears that the roster from ASSP has been a little glitchy and I have missed many new members. I went back a few months to find some or missing new members. My apologies to those affected. Be sure to say hello to them!

Respectfully,

Mark Strauss, CSP
President, Alaska Chapter
American Society of Safety Professionals

MEMBERSHIP UPDATES

New Members

- Colby Duxbury
- Michael Stumpf
- Roger Redden
- Samuel Medlock
- Jon Spezialetti
- Edward Kasner
- Mark Miller

Long Service Recognition of Chapter Members

CAREER OPPORTUNITIES

We are always looking to network and find out if there are job openings. The jobs must be in an Environment, Health and Safety function. For example: Fleet Safety Manager, Director of Environmental, Health and Safety, Risk Manager, etc.

We will post the jobs to our website at southtexas.asse.org. This is done currently at no charge, but the chapter is always accepting donations to help establish our scholarship fund. Your contribution is appreciated.

Please e-mail the job information to updates@alaska.assp.org
