PRESIDENT'S LETTER

Greetings Everyone!

Although still chilly out, at least we have sunlight returning! I wouldn't say spring is in the air just yet.

Alaska Governor's Safety and Health Conference

The Chapter will have an informational booth at the 2026 Alaska Governor's Safety and Health Conference from April 7-8. We ask that members who volunteer to be at the booth stay for at least one hour. Reach out to us at updates@alaska.assp.org to sign up for some time to be at the booth.

Safety Vests

Carrie has collected 56 reflective vests and 4 reflective armbands to donate to a community organization to help illuminate those out in the dark. Thanks to those who donated!

End of Year Barbeque

For our last meeting of the year (May), we will be hosting a trash pickup and outdoor barbeque. You will receive a survey soon helping us gauge interest

and possible locations. More details to come.

ASSP Safety 26 Conference and Expo

ASSP is hosting the annual conference in Anaheim on June 15-17.

Registration is currently open and the early rate ends March 19. If you want to save \$200 on registration, get it done before March 19. Additionally, this conference has sold out in recent years so be sure to register early to lock in your spot. Go to <https://safety.assp.org/> for more information or to register.

Our next meeting is March 17. Look forward to seeing everyone there!

Respectfully,

Mark Strauss, CSP
President, Alaska Chapter
American Society of Safety Professionals

CAREER OPPORTUNITIES

We are always looking to network and find out if there are job openings. The jobs must be in an Environment, Health and Safety function. For example: Fleet Safety Manager, Director of Environmental, Health and Safety, Risk Manager, etc.

We will post the jobs to our website at southtexas.asse.org. This is done currently at no charge, but the chapter is always accepting donations to help establish our scholarship fund. Your contribution is appreciated.

Please e-mail the job information to updates@alaska.assp.org
