

2016 Alaska Occupational Safety Summit Trade Show Details

We are pleased to announce and be setting the stage for another incredible learning and networking opportunity. This year we have a truly exciting keynote speaker and look forward to a strong showing from a cross-section of Alaskan businesses and industries. We are returning to the Captain Cook Hotel for this years' 11th Annual, Alaska Occupational Safety Summit.

Opportunities to exhibit are limited to 21 spaces this year, yet we may consider expanding dependent solely on the interest of exhibiting companies.

The registration link for Exhibitors will **go live next Tuesday, August 30th at 9:00 AM AST**. The hall routinely fills up very quickly and is sold out every year – so plan to register early to ensure you have a space. The floor plan for this year will be posted soon.

BOOTH Rates: \$ 895 Per Booth

BOOTHS:

Exhibitor set-up will begin at the Hotel Captain Cook, 2:00 PM, Monday, October 10th. Alaska Event Services will be setting up the hall earlier that day. What comes with your booth is: 8x10 space with pipe and drape around, with a 6' skirted table and power.

If you need additional items, Art Service North will be there to assist, or you may reach out to them ahead of time by calling them directly: 907-279-7900.

Program Deadlines for your company to be listed on the floor plan in the Program is **September 15th**.

STATEWIDE EXHIBITOR OPPORTUNITY:

Whether or not you choose to secure a booth to exhibit personally, - you can advertise in the program through our conference partners, the Alaska Journal of Commerce. They will be sending out information on this separately. Advertising in our conference program assures reaching a distribution of 30,000 statewide. We're very proud of the relationship we've built with the Journal and this is an added benefit we share with all exhibitors / vendors / service providers.

Recognition Opportunities:

Exhibitor Competitions - All of you will be in the running to win "Best new product / service" – dazzle us, let us know what the newest / latest trend development, invention is... and our coveted "People's

Choice" Award – it's all in the interaction and how you're able to pull in attendees to engage with you. Winners of each of these will receive a nice trophy, and early registration rights (guaranteeing them a space) for next year's Summit along with a guaranteed 2 minute commercial slot.

Exhibitor / Attendee Prizes - attendees who interact and get their cards punched and vote in the above competition, will be given tickets to receive door prizes donated by exhibitors - so please let us know early, what you will be giving away.

Door Prizes - If you are interested in sponsoring an electronic prize, please let us know this week so we can add that to the program. You will be called to the stage to announce the prize and say a few words on behalf of your company.

2 Minute Commercials - Our past exhibitors all have said they found the opportunity to address all our attendees as the most valuable part of our conference to them. Details will follow on this to registered exhibitors.

Welcome Reception: Our attendees are all invited to a Welcome Reception to give more opportunities for networking. This will be held in the main ballroom, so there will be additional opportunities to showcase your items at this time. This event will be Tuesday evening, following the day's sessions from 5 – 7:30 PM –where we will have live music, appetizers and a cash bar.

All attachments and details for this event are available on our Chapter website:
